PRAYERS OF THE SOCIETY.

BEFORE THEY COMMENCE BUSINESS.

PREVENT us, O Lord, in all our doings, with Thy most gracious favour; and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name; and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord.—AMEN.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady Queen Victoria, and so rule her heart, that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the Clergy; the endeavors of all who are engaged in spreading the knowledge of true religion in the dominions of our Sovereign, and the labours of those Missionaries who are proclaiming the same in this Province. And may thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord.—AMEN.

O MERCIFUL GOD, who hast made all men, and hatest nothing that thou hast made, nor wouldst the death of a sinner, but that he should be converted and live: Have mercy upon all Jews, Turks, Infidels, and Heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold, under one Shepherd, Jesus Christ, our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end.—AMEN.

OUR FATHER, which art in Heaven, Hallowed be Thy Name. Thy Kingdom come. Thy will be done in earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; For thine is the kingdom, the power and the glory, for ever and ever.—AMEN.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore.—AMEN.

REPORT.

During the past year this Society has encountered difficulties which no one had reason to anticipate. For many reasons, the failure of the late Treasurer was a serious calamity. There is good reason to believe that no loss will ultimately be sustained. The members of the Society will find that those entrusted with its interests have shewn every possible attention with reference to this sad event, and it may, in the end, have a salutary effect in the management of the finances.

With all the economy of the General Committee in the appropriations, the accounts of the Treasurer, made up to the close of the present year, shew a balance against the Society. Since the first of April last, a considerable reduction has been made in the amount received from the Society for the Propagation of the Gospel. This reduction will be greatly increased after the 31st December next. The sum required to be made up by this Society, in order to maintain the present payments to the Missionaries, will not probably be less than \$3,000 currency. It must be perfectly plain, and every member of the Church ought to know it, and take each his share in the responsibility in the matter, that unless this deficiency is made up by special donations, or the general income of the Society largely increased, certain Missions must be abandoned, and the work undertaken by this Society, to a large extent, be given up.

Under the careful management of the Loan Committee, the investments are being placed in a most satisfactory condition. In several instances, monies lately secured by mortgages on land have been paid, and they are to be reinvested in Provincial or other securities, on which the interest will be punctually paid.

Much attention has been given of late to the revision of the Missionary Schedule, by a special Committee appointed for that purpose in July last. Many of the later Missions were established, partly by grants from the Society in England, and partly by the grants from this Society, and in some instances there appears an inequality in the present list. The Committee found they had undertaken no easy task. There are no stipends which, without great necessity, should be subject to diminution, and it is well known that

the Society has not means to offer any increase where it is so much required, and so richly deserved.

A new Schedule has been prepared by the Committee, in which the grants made by this Society are more equalized, and adapted to the ability and requirements of the several parishes. In all instances, these grants are to be dependant upon the local support afforded to the clergy; and with the end in view of the favorably situated parishes becoming self-supporting. This is a principle especially recommended by the Committee, although the Schedule prepared may be subject to future revision by the Society.

The following is an abstract of the reports of the Missionaries, and of the several Local Committees.

ANDOVER.—Rev. W. H. Street writes as follows:—"In the retrospect of labor performed in a Mission of such extent as this, while the Missionary cannot but feel how feeble have been his efforts against many difficulties, there is still cause for much thankfulness to Almighty God that these efforts seem to have been not altogether in vain.

"In speaking of the few works accomplished, during the past few years, not forgetting the kind aid given by friends, I may mention a Church made suitable for Divine service. This, with a burial ground at St. Leonard, was consecrated during the Bishop's last visit, a handsome bell purchased for one, and musical instruments for two of the churches. The Fonts in the latter are gifts from the Bishop.

"The Altar in the Church at the Grand Falls is also the gift of the Bishop, and the handsome cloth for the same, is the work of the late Lady Carter, who at the same time presented us with two nice Alms boxes.

"The title to a glebe lot, which had been disputed, has been secured, and a grant obtained from the government of some hundred acres, in lieu of other land of which we have been deprived.

"On Easter Monday last the site for a Parsonage was decided on. One zealous member of the Church offering \$100, and several acres of land towards this object. Other subscriptions have been promised, and it is hoped the undertaking will succeed.

"The discharge of my duties has involved much labor and fatigue, owing to the immense amount of travel, extending, as it does, through the whole County of Victoria and part of Carleton.

"During my charge of this Mission, the baptisms number between 300 and 400. I have performed 71 marriages and 100 burials.

"I can only report \$70 as the contributions at present made up. They will, I am almost certain, be increased so as to exceed those of last year."

BATHURST AND NEW BANDON.—Rev. W. B. McKiel writes as follows:—"I have just returned from a missionary tour to the eastern limit of my mission (hence the delay in sending my report), in which I have travelled by land and water over 150 miles, holding service wherever I could gather a company together; baptizing their children, and supplying in general their spiritual wants. The people on Shippegan and Miscoo Islands always hail with delight my periodical visits among them, and soon the word is spread far and wide, 'The minister is come.' A title in which we may indeed glory, if we be only the sincere followers of Him who 'came not to be ministered unto, but to minister, and to give his life a ransom for many.' My stay in any one place was, of necessity, short; and when leaving, I was followed by kind wishes and regrets, and entreaties to come again soon. They cannot hope for anything more than an occasional visit for many years to come.

"Of the whole mission, I can only say, that if the work which the great Head of the Church has given it to do, is slowly, I trust that it is *surely* progressing. There is no spasmodic effort, and no consequent reaction. And though your Missionary would often long to see more good fruit, yet we must not be faithless but believing, and trust that at the best time God will give the increase. Still the abstract shows a general increase over that of last year,—more communicants, more baptisms, &c.

"Since my last report, some who were then with us, and took an interest in the work of the Society, have been called from the ranks of the Church militant, to join, we trust, the Church triumphant. But of all these, none were so universally beloved and regretted as our late lamented Rural Dean.

"Contributions will exceed the amount sent last year—they are \$103.31."

BLACKVILLE, DERBY, AND NELSON.—Rev. W. Cruden has much pleasure in stating that the interest evinced for the services of God's house, is evidently on the increase in this mission. There have been some sudden calls during the last few months. These mournful events have had a salutary effect. It has taught others that this is not their resting place. Six of the parishioners have been carried to their last resting place since the year began.

Mr. Cruden reports the amount of contributions to be \$50, which is much more than last year.

He writes, with much feeling, of the death of Rev. S. Bacon, who had always been to him a kind friend. "His memory," Mr. Cruden adds, "is cherished up and down the Miramichi with feelings of deep respect and love."

BUCTOUCHE.—Rev. A. H. Weeks has enclosed his annual returns, and writes that he has forwarded, through Rev. Dr. Jarvis, \$20, in aid of the funds of the Society; and he now encloses the additional sum of \$5.25 by a post office order, making in all \$25.25, which, Mr. Weeks is thankful to say, is an increase on last year.

CAMBRIDGE.—Rev. B. Shaw writes as follows:—"There is not much to report from my mission, beyond the routine of regular duty, which I give as follows: Baptisms, 18 (6 private); marriages, 7; burials, 12; services 180; miles travelled, 3,500. I cannot promise any addition to our subscription of last year, viz., \$70. I will guarantee the same amount for the present year; but I shall use all diligence to make it larger.

"I have to thank God for an increase of zeal and love for the Church's work which is visible in my people. Our communicants are steadily increasing, and we trust to make another addition after the confirmation in July."

CAMPOBELLO.—Rev. J. S. Williams has enclosed the following resolutions:—

"1. That this Committee greatly regrets the critical position in which the Society's affairs have stood for some time past, and earnestly hopes that the Society will not find it necessary to make any reduction in the grants to this Mission.

"2. That owing to the absence of the clergyman in England during the winter, nothing has yet been done in the way of collecting for the Society, but the C. L. C. hope that the contributions may be made in time to appear in this year's Report.

"3. That a renewal of the grant to the Church School is respectfully requested."

CANTERBURY.—Rev. T. Hartin reports contributions to the amount of \$34.50.

CHATHAM.—Rev. William S. Neales has enclosed a copy of the following resolutions passed at a meeting of this Local Committee, on the 14th April last:—

1. "The Committee cannot meet, for the first time, since the removal by death of their late venerable and respected Rector—Rev. Samuel Bacon—without an expression of sincere regret at the loss they and the Diocesan Church Society have sustained in the death of one of the oldest and most sincere supporters

and advocates of the objects and interests of the Church in this Diocese, as represented by the Diocesan Church Society.

2. "This Committee feel that the Diocesan Church Society is in every way worthy of their earnest support; and therefore will use their best endeavors in the promotion of its interests, by obtaining collections and subscriptions towards its funds.

3. "That inasmuch as by the death of their late Rector, this parish is deprived of all support from the Society for the Propagation of the Gospel, and inasmuch as in the present position of the Church here, notwithstanding their utmost endeavors and highest contributions, they are yet unable adequately to maintain their Rector, they respectfully ask aid for this purpose."

The Committee forward with the above a detailed statement of the revenues of the parish, from all sources, to be laid before the General Committee.

Mr. Neales regrets that the contributions, which amount to \$134.56, are not larger. This arises not from lack of liberality, but partly from the pressure of the times, and partly from the people undertaking to raise the greater portion of the Rector's salary. They have also lately raised upwards of \$200 in money, besides contributions in materials, towards the erection of a Sunday School House—as a memorial to the late lamented Rector.

CLIFTON.—REV. D. I. Wetmore reports that he has performed, during the year, 52 services on the Lord's day, and assisted at 104 services.

DOUGLAS AND BRIGHT.—REV. T. E. Dowling has enclosed the following report:—"Our contributions, I am thankful to state, will be larger than in any preceding year. They amount to \$112.81. Within the last year, four hundred and fifty dollars have been offered for various church purposes within the mission. But I would respectfully state, now that the means of the congregation are becoming better known to me, that there is very little *cash* in circulation, and this sum has not been given without some exertion and self-denial.

"Surely it is not unreasonable that the several congregations should desire one service on each Lord's day. This cannot be at present. Forty-two Sundays throughout last year the Tay Creek Church was closed. The Church at the Nashwaaksis was also shut on thirty-four Sundays, and the Keswick Church on twenty-six Sundays during the same period. And yet one hundred and ten Sunday, and forty-eight week-day, services were held in the whole mission. In addition to this statement, when it is mentioned that there are twenty ministers of various religious bodies officiating here—many of them residents—all of them thoroughly in earnest, it will be seen at once that this *fifth* appeal for an assistant is urgent. Though the Society will not rise and give, out of compassion for our state, yet because of our importunity it will surely rise and give us as much as we need. Not that we are unwilling to exert ourselves. Following the example of the congregation at Cross Roads, a meeting has lately been held at Keswick, and the result is that seventy dollars have been promised from that district alone. I mention it with unusual pleasure; for a marked improvement has for a long time been needed in the contributions from this Church. In 1863 the sum total received by the Rector, amounted to two dollars, thirty-two cents; and now, independently of a gradual increase in the Sunday offertories, the congregation is ready to bear its proportionate share in the support of a Curate. Altogether, with the kind assistance of a friend to the mission, who has collected a quarter of the amount, I am willing to become responsible for two hundred dollars—hoping that the same sum, by way of encouragement, will be added by the Diocesan Church Society.

"There is a vast amount of work, hitherto unattempted, in the mission, and it ought to be faced. Under any circumstances, I am convinced that a rearrangement of several parishes in York County would tend to the good of the Church, and convenience of the clergy.

"Occasional services commenced during the last year at New Zealand, have been attended with profit. The work in this settlement is rough but encouraging. The children have been sadly neglected; but as I am already respon-

sible for the superintendence of three Sunday Schools, single handed, I dare not add to the number. I feel hopeful about Church work at New Zealand. The people have promised to contribute in provisions towards the Rector's support; and the claims of the Diocesan Church Society have not been set before them in vain."

FREDERICTON.—Rev. C. Lee reports contributions to the amount of \$760.53, which are an increase compared with the last year.

GAGETOWN.—Rev. James Neales reports contributions to the amount of \$86.95, which exceeds that of last year.

GREENWICH AND WICKHAM.—Rev. D. W. Pickett writes that great improvements have lately been made in the Church at Greenwich;—a handsome pulpit, the work of Mr. C. W. Raymond, of Woodstock, together with a communion table and lectern (the latter the gift of the Bishop), have been supplied. A font of free stone has also been provided, together with a carpet and blinds. "We are looking forward," Mr. Pickett adds, "to a visit from the Bishop in July. The number of candidates will not be large.

"The usual services have been held at the several churches and stations, with the exception of a few weeks in the winter; when I thought it necessary to take a service in Wickham, in order to assist the Rev. Mr. Woodman during his illness."

The contributions for the present year will probably reach \$90.

HAMPTON.—Rev. George Walker, Curate of this parish, reports contributions to the amount of \$90.33, and that more may be expected. A new parish church is in process of building, and no aid outside the parish has yet been asked.

HARDWICKE, NEWCASTLE, &c.—The Rev. J. Hudson feels truly thankful in being able to inform the Society, that there has been some increase in the offerings sent from these parts during the past twelve months, but it is fair to state that the increase has been effected, chiefly through the charitable aid derived from a few of our fellow-churchmen attached to the Intercolonial Railway Staff, at present stationed in Newcastle.

Mr. Hudson adds that he has been obliged, as usual, to undertake, single handed, the collecting of alms for the Society, and to interest friends in its behalf, within the boundaries of the territory entrusted to his care, still more than one hundred miles in length. Of the difficulties and discouragements that he meets with, while employed in such "serving of tables," among those who call themselves Churchmen, perhaps the less said the better.

Since July 1st, 1868, sums as follows have been forwarded to the Society's Treasurer; Hardwicke, £8 11s. 3d.; Newcastle, £14 14s.; Northesk, £1 0s. 9d.; Ludlow, £4 16s. 6d.; Boiestown, 17s. 6d.—total £30.

KINGSLEAR.—Rev. J. Black reports contributions to the amount of \$52.

KINGSTON.—Rev. W. E. Scovil reports that the contributions, in his parish, for the past year, are \$145 for general purposes.

LANCASTER.—Rev. W. S. Covert reports contributions to the amount of \$41.84. Mr. Covert is happy to report a large increase in the number of baptisms, and a largely increased number of communicants. Four young persons were confirmed by the Bishop in July.

MAUGERVILLE AND BURTON.—Mr. Geo. H. Sterling, Lay Reader, reports contributions from Maugerville to the amount of \$19.85. Contributions from Burton are \$55.50, making in all, \$75.35.

MONCTON.—Rev. W. N. Boyer reports contributions to the amount of \$28.20. He has forwarded the usual returns. Mr. Boyer writes that his labors have, during the past year, been strictly confined to Moncton, on account of want of means to keep a horse. The grant of the Society, which sent him from home,

has been curtailed from £100 *sig.* to £40 *sig.* He wishes to add that in addition to other expenses, the parishioners have put up a new fence around the parsonage grounds.

NEW MARYLAND.—Rev. J. Pearson reports contributions to the amount of \$20.22.

PETERSVILLE.—Rev. Charles R. Matthew writes as follows:—"The past has been a season of constant toil, but by the good hand of my God with me, the trial has been easily and cheerfully borne in the enjoyment of unfailing health, and mercies on every side.

"As regards the spiritual results of your Missionary's work in this parish, he would not venture to speak too confidently. That souls have been brought from 'darkness to light, and from the power of Satan unto God,' he humbly trusts. But the work of grace being in itself secret and unseen, the attempt definitely to fix its bounds, results in making these limits either too wide or too narrow. Respecting the other department of pastoral labor,—that of 'feeding the flock of Christ,'—one can speak more fearlessly. Souls now with Jesus have been refreshed in the time of sickness and in the hour of death; the weary have been strengthened; the desponding cheered with the comfortable gospel and precious promises of the Saviour.

"Outwardly, matters are hopeful. The attendance at the churches is rather larger than a year ago; and there are some whose constant presence and interest in the ministrations of the Sanctuary, cheer the pastor not a little. The ordinary services at the stations is still kept up; and as a thank-offering for health restored, a new preaching station was taken up last summer. This is at Clarendon, in Charlotte County, 25 miles from your Missionary's residence. There are a number of settlers scattered along two intersecting roads, ten miles in length. Destitute of the ministrations of any denomination, it seemed as if no man 'cared for their souls.' Being the nearest clergyman to them, they appear to have a more direct call upon the minister of this parish, than on any other. A monthly service was therefore undertaken, and has since been kept up, though with some irregularity, on account of the deplorable character of the roads, which are, in many places, no better than mere bridle paths, through woods and bogs, and rocky barrens.

"At Welsford we have repaired, grained and varnished the seats of the Church; and, with the assistance of kind friends in St. John and New York, have procured a cabinet organ, and replaced the unsightly stoves by furnaces, placed in the basement of the building.

"In the upper part of the parish, we are about taking seriously in hand the building of a new parish church. The parishioners living in the neighborhood of the old church have put their shoulders to the wheel. Although all have not yet signed, the subscription list amounts to about \$1,200. We hope (p. v.) to begin the erection of the new edifice in the spring."

Mr. Matthew subjoins a return of his duties performed in this mission, which will be found in the usual place.

Contributions amount to \$45.81.

PORTLAND.—Rev. Canon Harrison reports contributions at present to be \$125.

PRINCE WILLIAM AND DUMFRIES.—Rev. E. A. W. Hanington writes as follows:—"The work of this mission, during the year past, has presented but little change from that of former years. I have held 137 services (120 Sunday and 17 week-day), with a celebration of the Holy Communion on every Sunday, and on all the 'greater festivals.' There have also been 13 private celebrations to the sick during the year.

"The work at 'All Saints' Church, Magaguadavic, still progresses. On the 13th of August, Rev. Canon Loosmore laid the foundation stone, and several clergy of the Diocese united in this most interesting office. On a subsequent day the settlers assembled, with the Rector, and spent a week framing and raising the church. We commenced on Tuesday afternoon, and without any

hired hands, except the framer, succeeded in getting the rafters on on Saturday. All the people knew that they must depend upon themselves to a great extent, and I trust we have a proof of their earnestness in the fact that they are doing so. Many are working diligently at the building, at the same time that they give what money they can devote, to the purchase of material. We are glad of this opportunity to acknowledge the alms of many faithful, which have been most liberally and kindly given. We hope (with the blessing of God upon our work), to complete the church *ready for consecration*, and perfectly free from debt, without having recourse to selling God's house, or raising money by bazaars, as soon as September next (about one year from the commencement of the work), and we pray God that his blessing may rest upon our work, and upon those who have materially assisted us.

"Our collections for the Diocesan Church Society have been made as usual. We are thankful to be able to offer an amount a little greater than last year. The collections this year amount to about \$97, which is an increase on years previous to last year of at least *one-third*. Our last offertory collections were almost double those made last year."

RICHMOND.—Rev. J. Dinzey reports contributions amounting to \$61.39. He writes, with regard to his mission, as follows:—

"In August last this parish was ecclesiastically separated from Woodstock, but it was only in the beginning of November that the parsonage was sufficiently advanced to enable the Missionary to commence residence. The enclosed report, therefore, represents the work effected within the last eight months.

"The number of baptisms (12) is not so great as I had hoped to report. There are many children, from two to eight or ten years, unbaptized, whose parents and guardians, though not unwilling that I should administer the sacrament at home, yet evince great reluctance to bring them to church; the cause of which proceeds from a foolish pride to have their little ones 'well dressed' for the occasion. I trust, in my next report, however, to be in a position to write more favorably in this respect. Of the above number four were adults, three of them married women, and children of unbaptized parents. All of them are candidates for confirmation; but I was induced to allow one to come to Holy Communion on the Sunday following her baptism. Since that event, she has been instrumental in bringing her husband to the holy table, and I am happy to say both husband and wife are now consistent Christians and regular communicants.

"At Easter several new communicants were admitted, and others since, making the whole number of present recipients thirty-one.

"Since the Missionary's residence in the parish, attendance on Divine worship has increased three-fold, and the services themselves rendered more devotional and attractive by the introduction of singing and chanting. Two Sunday Schools have also been organized, and are progressing favorably. An encouragement to hope that my people are really in earnest in striving after better things, was given by the comparatively large attendance on my weekday Lenten services; also in the fact that my recommendation to them to deny themselves some little luxury during the season, and give the result of such to some good object, was acted upon by several,—some giving to one object, others to another. From this source, the amount to the Diocesan Church Society has been increased by little more than two dollars—a small sum, it is true—but, I trust, the beginning of better things. My Sunday School children have also added their mite—over three dollars. One man, whose pipe was a great comfort to him, gave up smoking, and has since altogether abstained from the practice; while several young persons, who had purchased season tickets for a dancing school, when asked not to indulge in amusements during Lent, cheerfully denied themselves the proposed pleasure.

"There are, of course, difficulties to be encountered in carrying on the good work here. Indifference on the part of too many so called churchmen, sneers and reviling from outsiders, who would play the part of Sanballat against Nehemiah in the rebuilding of the temple (though it is only fair to state that

a few of the latter have shewn me many kindnesses); but I should be ungrateful not to feel that much good is being accomplished, and but a poor soldier of the cross not to take courage and go forward.

"Many of my people have responded, in a most praiseworthy manner, to the numerous and rather extensive demands upon their time and means. On my taking charge of the mission, the sum of \$350 per annum was guaranteed me by ten of the leading church members—\$50 of this amount I shall not receive for this year. Also \$500 and more have been raised and expended upon the parsonage. And here I must mention the zeal and liberality of the ladies of the 'Sewing Circle,' who have never failed to carry out my suggestions, when in their power to do so. Through their exertions, over \$200 of the above amount have been furnished. In addition to other outlays, the people have purchased a cabinet organ. The money for this object was collected by one of my lady parishioners—Miss Lizzie McIntyre. Since I have mentioned one name, it is only proper I should allude to a few of those others who have evinced great zeal in the cause of church matters, and also have contributed very materially to the comfort of their clergyman, viz., the Messrs. McIntyre, Messrs. Ralph Beardsley, Elias Cunliffe, Wm. Stokes, and last, though not by any means the least, the estimable Mrs. Gentle.

"I am pleased to inform you that two months since the erection of a church was commenced in the district of South Richmond. The Church people there are few, and with the exception of two families, in poor circumstances; nevertheless, when told that a church must be built, as a condition for the continuance of services among them, they instantly went to work, and in a very short time put up the frame of what I trust will be a creditable little country church. The building will, please God, be consecrated in September.

"Here at Richmond, I am thankful to say, the old, dilapidated, and most unchurchlike looking church, is immediately to be replaced by a larger and more appropriate building, modelled after St. Ann's, Fredericton. The size of building will be—nave, 45x24; chancel, 18x18; posts, 15 ft.; estimated cost, independent of volunteer work, \$2,000. With this important undertaking in hand, together with the work already accomplished within the year, it is not to be expected that the contribution to the Diocesan Church Society would be large yet I am pleased to say the amount for this year will compare not unfavorably with former subscriptions.

"A few weeks since my parish had the pleasure of a visit from Dr. Neely, Bishop of Maine, U. S. The Bishop kindly preached for me on Sunday evening, 6th June. I need scarcely say we were all delighted with him. As I am Missionary at Houlton as well as at Richmond, it will be gratifying to know that the church over the border is progressing. Since November two congregations have been organized, a flourishing Sunday School built up, sixteen communicants added to the church, and fourteen persons confirmed. I trust in the course of a couple of months, to be in a position to commence the erection of a church at Houlton. At present we use the Methodist meeting house, which is hired for one service every Sunday. There is also a week-day service at a settlement seven miles from Houlton.

"I cannot conclude without alluding to the kindly interest taken by the Rev. S. D. Lee Street, in the progress of what was until lately part of his parish, and the heartiness with which he has ever responded to calls upon him for counsel and advice by the Missionary at Richmond."

RICHIBUCTO.—Rev. N. A. Coster reports contributions to the amount of \$29.89.

QUEENSBURY.—Rev. H. W. Tippet writes as follows:—"The ordinary duties have been discharged with their usual regularity; indeed diminishing strength renders me incapable of undertaking little beyond this; and when I read of the zealous missionary efforts of my younger brethren, I only regret that my day for acting as they do, has passed away. I have undertaken some additional work in the back part of the Parish of Southampton, and hope I may be able to establish a station there; but it is for me a racking and exhausting journey in the rough and unfinished condition of the roads.

"The unusual amount of snow during and after February, completely barred me out from my Caverhill church for several Sundays, and when I at last succeeded in getting there in March, under much difficulty, it resulted in a severe and dangerous attack of illness, which kept me a prisoner for some time.

"We have not had much sickness requiring pastoral visitation during the year; but I am sorry to say I have lost two much valued friends, and the Church two faithful and consistent members; one of them very suddenly, making

three from one house in the course of the year, and all communicants. The year, though on this account, a sad one to myself, added to much physical debility, and the unwilling conviction forcing itself upon me, that my best days for missionary work are past, has not been without some cheering tokens of the Divine blessing. Though the members of the church are few and much scattered, my congregations at two stations have been very encouraging, in point of numbers; at the weekly lectures at Bear Island, during Lent, this was eminently the case. A great many more persons than usual attended, and of all denominations, and I have reason to hope, from their serious and attentive demeanour, that the Word of God was carried home to many consciences. Still I cannot see that lively interest in the 'one thing needful,' which ought to be felt, and that ingathering to the fold, for which I daily pray and labor.

"My little Sunday School, held at the Parsonage, which has been carried on for nearly twenty years, still flourishes. About a fortnight since between thirty and forty scholars were regaled with their usual treat, beginning our afternoon with 'praising God from whom all blessings flow,' and ending with the National Anthem.

"I have just made an encouraging beginning of a Bible class in my own neighborhood, upon which, I humbly trust, it will please God to pour out his blessing. I cannot think it out of place to add that I have taken an active interest in promoting a reading club of good secular literature, of which I have been made the President.

"The number of baptisms during the year have been nineteen. Being surrounded on all sides by anabaptists, and socially united with them as the Church people in these parts are, I am sorry to observe, as a consequence, much less forwardness, in many instances, in bringing their children to the Lord in the sacrament of baptism, than I desire. It seems strange that so many should be brought to believe that our Lord has no covenant blessings for their little ones, and I live and labor in the hope that sounder and more scriptural views will eventually prevail even here."

Contributions amount to \$82.

SACKVILLE AND DORCHESTER.—Rev. G. Goodridge Roberts reports contributions already amounting to \$210, and he hopes for a further increase.

ST. ANDREWS AND CHAMCOOK.—Mr. George D. Street, Secretary of this Committee reports contributions to the amount of \$151.46—a considerable increase over those of last year.

By the assistance of the Rev. Francis Partridge, the services have been regularly performed at St. John's Chapel, Chamcook, during the past year. The aid which is also rendered by Mr. Partridge, in connection with the duties at the Parish Church, is of great value, and highly appreciated. The attendance at the church at Chamcook is very constant and increasing. Twelve candidates, from this part of the parish, were, on Trinity Sunday last, presented for confirmation, and nearly all of them have since been added to the list of communicants. At the first celebration of the Lord's Supper, after the confirmation, it was most delightful to see so many young people, and especially young men, "draw near with faith and take this holy sacrament to their comfort."

Through the kindness of Mr. Grimmer (who still renders constant assistance in the work of the Sunday School), aided by others of the parishioners, a new fence is being provided for the beautifully situated burial place around the church, and the church itself is shortly to undergo considerable improvement and repair.

ST. DAVID.—Rev. J. S. Thomson reports contributions to the amount of \$60.

ST. GEORGE, PENNFIELD, &c.—Rev. R. E. Smith writes as follows:—"The Local Committee of the Diocesan Church Society, desire to express their undiminished interest in the welfare of the Society. The parishioners are at present called upon for their contributions towards the new rectory, which has interfered somewhat with collecting for the Society.

"I must bear testimony to 'the willing mind' with which my people have contributed to the general purposes of the Society—all sections of both parishes have done their share. While the village of St. George has responded nobly to the call, the Parish of Pennfield and the 'out stations' have not been behind hand. This is the secret of collecting,—let all have the privilege of giving.

"The parishioners, besides being called upon for aid to the rectory, which is a handsome as well as substantial building, have also generously contributed towards the purchase of a horse for the Rector.

"I have been able to hold three services on Sundays as a rule, besides attending to the stations every month, and also on Friday evening of each week in St. George. Since I came to the parish, now 1½ years, I have baptized fifty-five, five of whom were adults. On 25th and 26th May, the Lord Bishop confirmed fifty-eight persons, and baptized two adults. The amount contributed to the Diocesan Church Society, is \$175.57."

ST. JAMES.—Rev. W. Armstrong is sorry that he cannot reckon on more than \$150 from this parish, though he trusts this amount may be exceeded, as some of the subscribers are absent.

ST. MARK.—Mr. C. A. Fairweather reports contributions to the amount of \$367.60.

ST. MARY'S, STANLEY, &c.—Rev. W. Jaffrey reports contributions to the amount of \$71.12, and he writes as follows:—"Through the increased zeal of some of my parishioners, I have been enabled to report a larger sum this year than usual; nor is this the only indication of increased interest taken by my people in church matters; new life has been infused into the Sunday School, and four delegates have been appointed to attend the Synod this year, whereas only one was appointed last, and none the year before. I may also say that perfect harmony and good will seems to prevail among the church people in church matters. I cannot report any very great increase in the numbers attending my services; the sum total of the congregations stands at much the same, notwithstanding the great fluctuation which is continually going on through immigration and emigration. As an instance, the Missionary says that at one station, where there were 69 church people fifteen years ago, only two of that 69 now remain, 63 having left the place and four died; while at another station, at that time, there were only about four; now, through immigration and conversion, there are over 80. At another place there were about 80 nominal church members, old and young,—now there are over 200, through immigration, conversion, and the natural increase of the population. And from another station he has lost by death and removal 82, who were formerly regular attendants, though not all strictly members of the church.

"The Missionary adds that though this continual change through emigration has been going on for a number of years, almost to a discouraging extent, yet he sees that a wise Providence has had a wise end in view, inasmuch as no less than nine individuals, who were once resident in the mission as part of the laity, now hold parts of God's great vineyard, four in this Province, two in Canada, and three in England. There is also a young man, at the present time, studying in the University for that same sacred office."

ST. PAUL, PORTLAND.—Rev. W. H. DeVeber reports the total amount of contributions to be \$360, which, it is hoped may reach \$400. "This," Mr. DeVeber writes, "is not much more than half of the sum contributed last year; and it is due to the Parish as well as to the Society, to explain the causes of the falling off, lest it should be regarded as indicating a decreasing interest in the Society's welfare. The contributions last year, it must be remembered, were larger than those of former years, owing to the offertory at the Bishop's visitation, and two special donations, which amounted to \$280. Since the last anniversary of the Society, the Parish has sustained some heavy losses—has paid off a large debt incurred in building and fitting up a Sunday School house as a temporary church, and has undertaken the erection of a new church, at an estimated cost of \$12,000, in aid of which the offertory on the second Sunday after Trinity amounted to \$4,500. This statement of facts will, I hope, satisfy the Society that the diminution of the contributions from this Parish, however much to be regretted, is the result not of choice but of necessity."

ST. STEPHEN.—Mr. D. Brown, Vestry Clerk, has enclosed \$5, the amount of a collection in Christ's Church, in aid of the Society.

SIMONDS.—Rev. G. Schofield writes as follows:—"On May 12th, we had a visit from his Lordship the Bishop, for the purpose of confirmation. The Revs. Messrs. DeVeber, Hill, and Tilley, kindly accompanied the Bishop, and assisted in conducting the service. Unforseen circumstances prevented several candidates from being present, but fourteen received the 'laying on of hands,' accompanied by earnest prayer for their future growth in religious life.

"His Lordship delivered a most impressive address, pointing out the danger of yielding to an irreverent and sceptical spirit, and how surely such a spirit tends to wither all the holiest sensibilities of our nature.

"I am thankful to add that the visit of his Lordship was a very pleasant and profitable one; and the people were glad to hear their Bishop express his gratification at the interest they take in their church; especially as shown by erecting a new cedar fence around the burial ground, and painting the outside of the church.

"During the year I have had 42 baptisms, nine marriages, and nine funerals.

"On the whole, the attendance at the churches and stations is fully as large as during the previous year, and I trust the seed sown in hope will bring forth much fruit."

Contributions are \$75.14.

SHEDIAC.—Rev. G. S. Jarvis, D. D., reports contributions to the amount of \$30.45. The contributions forwarded by Mr. Weeks, \$25.25, make in all, \$55.70.

SPRINGFIELD AND JOHNSTON.—Rev. G. Rogers writes as follows:—"I am aiming to get my people to see the necessity of increasing their contributions. I cannot say that I have failed entirely, for some few have increased, while a few others have doubled their usual contribution. If in the back settlements, which I have not visited, there is a proportionate increase, I shall be able to report that the sum reaches over \$100.

"With regard to the work of the Mission. During Lent I felt myself justified in increasing the services at the Parish Church. A lady, a warmly attached member of our church, who is always 'zealous in good works,' undertook to collect enough to purchase twenty-eight lamps. I was thus able to give a weekly evening service, on every Friday throughout the holy season. It was a source of delight to me to find that my efforts in behalf of the spiritual welfare of my flock, were appreciated by large and attentive congregations, made up not only of our own members, but also of several from other denominations. I attribute the largeness of the congregations, in a great measure, to the notice that had been circulated that the sittings would be free. For some four or five years past, there has been a strong desire on the part of several members of the vestry, to make the church entirely free. Should there be entire agreement on this subject, and the measure carried out, I anticipate all those good results that flow from so great a change. I regret to say that through the monetary panic that affected St. John and neighborhood last fall, we have sustained a loss of \$400, which sum, in all probability, would have been appropriated for this purpose.

"Our congregations at Centreville continue good. We felt the inconvenience of the school house as a place of worship, until a few months ago the trustees of the Methodist chapel kindly offered us the use of their building. We now fortnightly worship comfortably in a large and commodious place. I entertain the hope that it will lead our people to see the necessity of exerting themselves to erect a church, as soon as possible, so as not to tax the kindness of another religious body longer than is really necessary.

"Signs of improvement may be witnessed at Johnston. The old dilapidated fence has given way to an entirely new one. Substantial cedar posts have been sunk, and we have now a good and durable picket fence which will stand for many years. Before the summer is ended, I hope to see the unsightly box on the roof removed, and a tower or bell-turret in its place. But in these improvements upon the material fabric, which of themselves are evidences of vitality, I humbly hope and pray that we are building up a 'spiritual house, on holy priesthood, to offer up spiritual sacrifices, acceptable to God by Jesus Christ.'

Contributions amount to \$121.26.

SUSSEX, STUDHOLM, HAVELOCK, &c.—Rev. Charles S. Medley has enclosed the following report:—"During the past year I have labored in this extensive mission under great difficulties. As you learnt from my last report, my good fellow-helper, the Rev. Richard Simonds, was unable to continue his visits once a month to Havelock and Sussex Portage, and his work has therefore been confined to the Parish of Studholm, where he had ministered for many years previous to my coming to Sussex. Thus the whole work of four churches, besides one service at Studholm in every month, has devolved upon me. The congregation at the Parish Church had been slowly but steadily increasing during the year 1867, and I therefore was unwilling to give up my service every Sunday there, in order to supply the want at Havelock. Thus the church at Havelock has only had service once in every month on a week day, much to my regret and that of the people. Dutch Valley Church has been served once in every fortnight on a Sunday, and the congregation has been steadily increasing

during the year. At Sussex Portage there has been a monthly Sunday service given by me, and another monthly service by Mr. Cuthbert Willis, a Lay Reader, who, it is hoped, will shortly be admitted to the Deaconate. There is much work to be done in this mission, which is entirely beyond the strength of one struggling priest to perform, and we are losing ground every year from want of help. I am thankful to say the majority of pew holders at the Parish Church of Sussex, have thrown their pews open to the public, so that nearly the entire church is now free. Thus one more obstacle is removed, and I trust shortly we shall have the church filled with worshippers. In October last a very comfortable parsonage house was given into the hands of the Rector, in which he is now living. It is, I regret to say, partly unpaid for, and the burden stands sadly in the way of a new church, which is very much needed, but cannot be commenced until the debt on the parsonage house is liquidated.

"At the request of the people at Petitcodiac Station, I have held service in the public hall once a month, for the past four months. There is a prospect of a church being built in this growing village; and although the Church families are few and scattered, they are very anxious to build a church, and very full of zeal in making a commencement. We hope to put up and enclose the building this year, and finish when we have means sufficient. Petitcodiac is not, properly speaking, in my mission; but being half way by direct road between Havelock and Sussex Portage, it can be more easily served by me than by the Rector, Rev. Dr. Jarvis, whose consent has been obtained by me to hold services. I may add that I have paid three missionary visits, during the past year, to Mechanics' Settlement, which is in Albert County, with good success. There are several church families there, and all very anxious to see a clergyman amongst them. They would willingly build a church if there was any hope of services.

"I am now somewhat in a strait about Studholm. Mr. Simonds has left the Parish in my hands, having undertaken duty at Amherst, Nova Scotia. The people have been accustomed to one service on every Lord's Day, for many years past, and they feel very keenly their present need. I have promised to undertake a third service once a month, so as to give them two services in every month. This I feel, however, cannot be for any length of time, for the distances are too great, and my strength is hardly equal to the task. The people are ready to do all in their power for the church and God's minister, and they feel deeply the loss of Mr. Simonds, whose kindness and attention has been much appreciated by them. I have ventured to enclose to you a journal of a visit to the churches and stations in Albert County, which was paid lately by myself, in company with Rev. George Walker, Curate of Hampton, the consent of the Bishop having been first obtained. It may be of some use to the Committee of the Diocesan Church Society. I am sorry to say the amount of subscriptions this year does not equal that of last, whereas I hoped it would have exceeded it. This, I trust, is not to be attributed to any want of interest in the work of the church, but rather to a great scarcity of money in this part of the Province. I will not close my list until the meetings of the Society, in hope of still making some addition to it from distant parts of the mission, which I visit next week.

"As there is a prospect of one to supply the place of Rev. R. Simonds, I sincerely hope the Society will be in a position to continue the grant of \$300, made in his name; but as it is intended that I should take charge of Studholm, and an assistant should take Sussex Portage and Havelock, with the outlying stations, I would suggest the grant should be made for a *missionary at Sussex Portage, and Havelock*, instead of Studholm."

Contributions amount to \$37.82. Those from Studholm, not yet completed, amount to \$34.63.

Rev. Charles S. Medley has also forwarded to the Society the following report of a missionary visit to the County of Albert, which will be read with interest, as showing the condition of the churches in that portion of the Diocese.

"The Rector of Sussex and the Curate of Hampton left their respective homes, on Monday, 24th day of May, to visit the churches and stations at Albert County, with a view to find out the state of the whole Mission, which has now been left vacant for seven years.

"At Petitcodiac Station they were met by a faithful son of the Church, who drove them to Anagnance, where Cuthbert Willis, Esquire, drove them through Sussex Portage to Elgin Corner, the nearest point of Albert.

before, and great curiosity was shown to see two Church of England clergy-
men, and also to witness the baptism of two infants. Divine service was holden
in a Methodist meeting-house, where a crowded congregation had assembled,
although even women and children were busy all day in the potatoe field. The
'sprinkling' of the infants disgusted some Baptist brethren so much, that they
were obliged to leave before the service was ended; but with the exception of
the noise of some young children, the people were orderly and attentive, One
of the leading men, Gifford by name, an Englishman, was enthusiastic in his
delight at seeing the Missionaries, and led the singing with great zeal and ear-
nestness. A desire was expressed for the Society for Promoting Christian know-
ledge books and tracts, and several Prayer Books were sold. At present there
are only two Church families in this village, which appears to be growing
rapidly. This place might be much more conveniently served from Sussex or
Petitecodiac Station, than by a Missionary stationed at Hopewell. The people
were very hospitable, and a Mr. Robinson, who is not a Churchman, kindly took
us in, and Mr. Willis lodged with Mr. Steves, a Baptist.

"On Tuesday, 25th, we started at 7.30 A. M., for Mechanic', a distance of
only four miles; but having to visit one Church family and one school, and
having to travel an exceedingly rough road, we did not reach the Settlement
until 11 A. M. We then visited a family who lately came from Ireland, who
kindly gave us dinner. Here Mr. Willis was obliged to leave us, and return
home. At 3 P. M., we walked about two miles to a Methodist meeting house,
where a good congregation was assembled, and the prayers of the church were
offered up, and a child baptized. The singing at this place was particularly
striking. Everybody seemed to be singing with heart and voice. There are at
present ten families of Church people in this Settlement, and many who have
joined the Methodist body from sheer want of some place of worship, would,
I think, come back to the Church in a short time. We were most kindly cared
for by Mr. Wm. Gray, whose son has lately been admitted to the order of
Priests in the Province of Nova Scotia. I trust, at the earliest opportunity,
our worthy host and his eldest daughter, will be confirmed. Nothing could ex-
ceed the kindness and attention of this most united of families, and I think our
visit will long be remembered for good by them as by ourselves. I believe the
last Missionary of the Society stationed at Hopewell, visited this Settlement a
few times, and some preparations were made for the erection of a Church, but
nothing more than a rough frame, lying on the ground, is to be seen. Land has
been given by one of the farmers—quite a poor man—for a Church and School
House. On Wednesday, 26th, we left Mr. Gray's house, at 7 A. M., for New
Ireland, a distance of, probably, 17 miles; but the road is one of the roughest
in the County, and we encountered several windfalls, which caused so much de-
lay that, instead of reaching the Church at New Ireland by 11 A. M., the in-
tended time of service, it was nearly 1 P. M., when we arrived. Many people
who had come from a distance went home disappointed; but at 2.30 P. M., a
very good number of persons assembled for Divine Service, which they seemed
thoroughly to enjoy. Here we intended to have celebrated Holy Communion,
but not one could be found to join us in the Holy Feast, all the old communio-
nists having gone to their rest since the Mission has been left vacant, and no
young ones having taken their place. After service, the names of twelve fami-
lies were taken down who professed to hold to the Church, and all expressed a
hearty desire for the services of a Missionary. Mr. James Cairns, who, at great
inconvenience, drove us to Harvey Corner the same evening, repeatedly said,
"Now, do all you can for us to get a parson, and we will do all we can for
him." Mr. Gray, who left his potatoe planting to take us from Mechanic's Set-
tlement to New Ireland, left us after the service there, and very sorry we were
to part company. At 7 P. M., we arrived at Harvey Corner, and were very
graciously received and lodged by Mr. William Casey, who lives close to the
Church, a building far too large for the wants of the place. We had been led
to suppose that our prospects would be small here, but on the following morn-
ing, after having paid a visit to one of the faithful daughters of the Church, we
held service, and a congregation of forty-five assembled at 11 A. M., and after
service the names of six families were taken, and many others promised assist-
ance, who were members of no communion. The Holy Communion was cele-
brated here, and there were four Lay Communicants. In the evening we went
to Hopewell Hill, and held service in the Church, which was built shortly be-
fore Mr. Nicholls left the Mission. There were, at least, seventy persons pre-
sent; but very few were Church people, and only six families gave in their
names after service. Many people are well disposed to the Church, and would

gladly help towards the support of a Missionary. On the following morning, after having visited a sick person, we were driven by Mr. Peck to Albert Mines, where we held service in the evening, baptized one child in a Baptist Meeting House, and were taken on by one of Mr. Hallett's sons to Hillsborough, where we took the stage to Moncton, and returned home on Saturday. The impression we received from this too short and hurried visit through Albert County was decidedly favourable; and although it must be apparent that the prospects of the Church there are small (the number of Church families probably not numbering more than fifty in the whole County), still the wonder is that any have remained faithful after so many years of desertion. It must seem sad to any person who visits that County to see three Churches closed, and souls uncared for, and the cry which has been heard is no uncertain sound, as was testified by the earnestness and courtesy of all who were visited by us on our tour. We trust the Diocesan Church Society may be in a position to give a grant to this Mission, now vacant so long, if it be only a conditional one. Those who seemed best able to judge of the means of support, gave to us their opinion that the sum of \$200 could be realized, *at least*, in the whole County; and if there is this readiness shown by the few, should not the many who have more blessings than they have, help them in their work. We believe that if the means of support could be found, a faithful minister could also be found to undertake this work in the true spirit of self-sacrifice for the honor of our dear Lord and the salvation of souls for whom He died."

TRINITY.—ST. JOHN.—Mr. H. Lawrence Sturdee, Secretary of this Committee, reports contributions amounting to \$237.28. From some of the collectors the returns have not been received. Mr. Sturdee thinks the amount will be increased to \$300.

UPHAM.—Rev. S. J. Hanford writes that the contributions from this Committee shall not vary much from last year. They amount to \$122.61.

WESTMORLAND.—Rev. D. M. Bliss hopes that the contributions from this Parish will not fall short of those of last year.

WESTFIELD.—Rev. E. S. Woodman, owing to severe illness during the winter and spring, has been obliged to delay making the collections for the Society, which will amount to \$90.

WOODSTOCK.—Rev. S. D. Lee Street has inclosed the following resolutions, passed at a late meeting of this Local Committee:

1. That the Woodstock Local Committee, in reporting the amount of contributions from this Mission, which appear so much less than in former years, would state that this arises from the Parish of Richmond being made a separate mission.

2. That this Committee beg to reiterate its warm interest in the progress of the Diocesan Church Society, which will appear more plainly by the increase many individuals have made in their annual contributions.

In forwarding the above, Mr. Street writes as follows:—"Since the last annual meeting of the Diocesan Church Society, some few changes have taken place in this Mission. The Parish of Richmond, heretofore under my care, I am happy to say has been ecclesiastically separated from Woodstock, and the Rev. Joseph Dinzey, my former Curate, has been appointed to the spiritual charge of that Parish, and the good work he is doing there will, no doubt, appear from his own report to the Society. His place here has been supplied by the Rev. T. Neales, who was admitted to the Diaconate in September last; and I am pleased to state, since that time, he has proved a most useful assistant to me, and most indefatigable in his ministerial work, the greater part of which has necessarily fallen upon him; for, though by the blessing of God, my general state of health is somewhat improved since last year, yet I am still so subject to sudden and severe attacks of indisposition, that I have been obliged to relinquish much of what I have heretofore been accustomed to do. We still have four services every Lord's day, and, I am thankful to say, that I am still enabled to take a portion of these services. With the assistance of the Church Warden, C. W. Raymond, Esquire, who reads the lessons for me, I manage to get through the morning service on every Sunday at Christ's Church and St. Luke's alternately, and to preach at the latter Church in the evening. This is all I am able to accomplish, and frequently unfit to undertake so much. But while it pleases God to give me strength, my desire is to do what I can in the work to which He has called me. The Curate's work is one service on every Sunday at St. Peter's

Church, Jacksontown, morning and afternoon alternately; another service at one or other of the two Churches in Woodstock, and he reads the Prayers and Lessons at St. Luke's Church in the evening, and takes the service on every Friday evening, at which, when my health permits, I assist by reading the Lessons. He is also now making arrangements for the commencement of a week-day service, at a settlement about twelve miles distant. The Sunday School, under the superintendence of Mr. McCoy (Principal of the Carleton Grammar School), with the occasional superintendence of the Curate, is in a flourishing condition, and gradually increasing in numbers. We are much indebted to Mrs. Neales and her sister, Miss Simpson, for their able and unwearied assistance in the School. Mr. and Mrs. Neales are now also engaged in training a number of the scholars in singing, under the hope that some of them may, in time, be able to take part in the Church Choir. Mrs. Simpson has also ably assisted the Curate in the collections for the Diocesan Church Society, which, for the last two years, I have been unable to take but little part in. It is most gratifying to report, that the ladies of my congregation have succeeded in procuring a superior and fine-toned new Organ for St. Luke's Church, to replace an old and inefficient one that had been in use for many years. This they have accomplished chiefly by the sale of their own needle-work, in which they have been engaged for the last two or three years.

"A short time since, we had a most gratifying visit from the Right Reverend Bishop Neely, of the Diocese of Maine. He passed through Woodstock, on his way to Houlton and the upper portions of his Diocese, accompanied by the Rev. Daniel F. Smith, formerly Rector of Calais. The Bishop kindly acceded to my request, to spend a day with me, and to preach at St. Luke's Church in the evening; and having expected him to do so, I had invited two or three of the Clergy of this Deanery to meet him. In the evening a large congregation was assembled, and after the usual service, and an able and interesting sermon from the Bishop, a collection was made in aid of the Diocesan Church Society, after which a Hymn was sung by the Choir, when, by previous arrangement, a number of addresses were offered to the congregation by the Clergy present, and a short but appropriate one from the Churchwarden, C. W. Raymond, Esquire, strongly advocating the spiritual wants of the Diocese and the urgent claims of the Diocesan Church Society for continued and increased exertions in its behalf. The whole proceedings were concluded by a most forcible and eloquent appeal from the Bishop, which was listened to with marked attention. The concluding Hymn was sung, and the congregation dismissed with the Bishop's blessing. Though the service and addresses had occupied nearly three hours, yet no one appeared to be wearied, but all seemed to have been most deeply interested, and, I trust, aroused to a fuller sense of their own responsibilities as Christians and members of Christ's Church.

"The Offertory collections in my two Churches are still continued, and appropriated to the Rector's salary, in lieu of subscriptions. The amount obtained in this way, for the year ending last Easter, was a very little short of \$200. The amount contributed by the Parishioners towards the Curate's salary, for the year ending next October, is something over \$200, and that obtained for the Diocesan Church Society is, this year, \$243.32. Salary paid to the organist of St. Luke's Church, \$100. Making a total of \$743.32, besides a considerable amount for the usual local expenses connected with the Church.

"During the year ending this 1st July, there have been—Baptisms, 17; Marriages, 6; Burials, 6, by the Curate and myself."

Contributions amount to \$243.32.

Rev. T. Neales has forwarded a report of his duties since his appointment to the Curacy, on the 1st November last, which will be found in the usual place.

From the foregoing reports, their connection with the work for Christ and His Church, there is much to excite the sympathy of every thoughtful mind. There is a great deal being done—a great deal necessarily left undone. That difficulties should stand in the way, need not be thought strange. This Society, in its corporate capacity, is not unlike the individual Christian life. Year by year, since its formation, it has passed through trials of a varied kind, and it is now

in a position to appeal to every member of the Church in this Diocese for his confidence and support. Its object, and the way employed in attaining that object, is apparent to all who will read the yearly reports. However small or imperfect this work, it is a work for Christ, which He Himself began on the earth; and in which He calls every one who believes in Him to take a part. It must require some activity and influence to hinder such a work as this Society has in hand; which influence, directed in favor of the holy objects this Society seeks to promote, would soon place in the hands of the Treasurer ample means for the wants at present felt so severely, or for those by which the future is threatened.

Once let the plain truth on this subject, come home to the mind and heart of every honest Churchman in the Diocese, and there will be an end to all prejudice and inaction in one united movement to "come up to the help of the Lord."

Of those among the clergy or laity present, who aided in the formation of this Society, thirty-four years ago, very few remain. One of that number has, since the last meeting of the Society, passed away. No one could be more earnest in the interests of the Society, or in furthering its holy objects, than the late Rev. Samuel Bacon, Rector of Chatham. It is said that his memory is fondly cherished throughout that vast missionary district, in which he spent a large portion of a busy life in his Master's service; and this Society will ever associate with his name the remembrance of all that gentleness, and kindness, and love, which in so great a degree marked his character.

2. That the Treasurer be authorized, on behalf of this Society, to receive upon special trust, for the use of Saint Mary's Church, Richibucto, for the time being, such moneys as may be paid in for the purpose of such trust, from the estate of the late Mr. James Wheaton of Richibucto, and to give a proper receipt therefor.

Rev. W. Scovil, from the Committee appointed last year, with reference to a revision of the Missionary Schedule, presented a report; which he read.

It was thereupon moved by the Rev. W. H. Tippet, that the same be received and printed in the Annual Report, for the consideration of the members of the Society.

To which it was moved in amendment, by the Rev. E. A. W. Hanington, that the report be discussed, and either rejected, adopted, or amended, as the present Committee may decide; which amendment was decided in the negative, and the original resolution was carried in the affirmative. [*See Appendix*].

Rev. G. Schofield, from the Committee appointed last year, with reference to a change in the time of holding the meetings of the Society, submitted a report, which he read, and in which no change was recommended. On motion of Mr. Carman, it was resolved that the same be received.

Read by the Secretary a list of applications for grants from this Committee.

The Lord Bishop read the Missionary Schedule; whereupon it was Resolved, that Mr. W. Carman, Rev. W. Scovil, Mr. Jarvis, Mr. G. D. Street, Rev. C. Lee, Mr. G. A. Schofield, with the Officers of the Society, be a Committee to report to-morrow evening on the available funds of the Society, the Missionary Schedule, and the several applications.

It was moved by the Rev. C. S. Medley, that the question be re-considered, which motion was decided in the negative.

The Committee adjourned till to-morrow evening, at half-past six o'clock.

WEDNESDAY EVENING, June 30, 1869.

PRESENT :

The Right Reverend the Lord Bishop in the Chair.

The Clergy and Lay Delegates.

Prayers.

Read the Minutes of the last meeting.

Mr. Geo. D. Street, from the Committee appointed last evening on the available funds &c., presented a report; which he read.

On motion of the Rev. B. Shaw, it was resolved that the report be received.

It was stated in the report that the available funds from all sources were \$18,000, from which was to be deducted a balance due the Treasurer, at the close of the fiscal year, of \$800.

The amount recommended for the payment of the Missionaries was \$20,189.80, and the grant required for Widows and Orphans of the Clergy, with the ordinary expenditure, was \$944.44. This would require the additional sum of \$3,134.24, which the Committee most respectfully recommended should be provided for the present year, by a loan from the vested funds for general purposes. Certain resolutions on this subject were submitted with the report.

Rev. J. Pearson, from the Committee appointed last year, with reference to a provision for the Widows and Orphans of the Clergy, presented a report; which he read. On motion of the Rev. C. Lee, it was resolved, that the same be received, and entered upon the Minutes. [*See Appendix*].

It was moved by Mr. Geo. D. Street, seconded by Mr. H. W. Frith, that the Executive Committee be authorized to borrow from the funds of the Society, vested for general purposes (not from those funds vested pursuant to the wishes of the donors, or the resolutions of the General Committee), a sum not exceeding \$3000, as shall be required to make up the amount of the deficiency in the funds for the present year.

On this motion being put from the Chair, the Committee divided, and on the numbers and names being called, the following answered in the affirmative.

On the like motion, it was moved as follows :—

1. *Whereas* there is a deficiency of over \$3,000 in the funds available for the appropriations for the current year, for which the Society has been obliged to draw on its capital, that they might not break faith with the Clergy ;

Therefore Resolved, That the Secretary of the Society do give notice to each Missionary in the Diocese, that in the event of the deficiency not being made up within the year, by collections or subscriptions, a reduction on the principle of the Schedule Committee, and in proportion to the income of the Society, will be recommended to be made at the next meeting of the General Committee, and take immediate effect,—not, however, during the lives of the present Incumbents, with regard to whom the Society is considered pledged to the continuance of the annual grants during that period.

2. *Resolved*, That the Lord Bishop be respectfully requested to bring the present state of the Society under the notice of every congregation in the Diocese, through the Clergy, and that they be desired on some Sunday during the present summer or ensuing autumn, to make a special collection in every Church in the Diocese, in aid of the funds of the Society, and that the members of the Church generally be requested to make special contributions for the same purpose,—the money so obtained to be at once remitted to the Treasurer of the Society, for the purpose of making up the amount taken from the vested funds of the Society.

The Lord Bishop then read the Missionary Schedule, as recommended by the Special Committee, and each grant having been put separately to the meeting, the following quarterly payments were passed, making in all the sum of \$20,208.55, for the Missionary services of the current year.

A special meeting of this Committee was called on the 3d December, 1868, at St. John, by the Lord Bishop. His Lordship stated his reason for calling this meeting, and informed the Committee of the resignation of the Treasurer, Mr. S. J. Scovil, and of the directions he had given to Mr. G. It was also referred to the Loan Committee to take the necessary securities from the Treasurer, and also to ascertain the amount due by the late Treasurer to this Society, and to obtain payment or satisfactory security therefor from his sureties.

It was resolved that when the securities have been entered into by the Treasurer, satisfactory to the Loan Committee, that he is hereby authorized to obtain possession of all books and papers held by Mr. Scovil, as such Treasurer.

It was also resolved that the Loan Committee be authorized to obtain, on the securities of the Society, a loan of sufficient amount to enable the Treasurer to meet the salaries and other payments, due on the 1st January next.

The Committee met at Saint John on the 9th January, 1869.

The Chairman, Rev. W. Scovil, reported that the Treasurer had entered into bonds satisfactory to the Loan Committee, which were in the hands of the said Committee. He also stated that the Committee had called upon the sureties of the late Treasurer, for payment of the amount due, and that the matter was still under consideration; and that arrangements had been made with the Bank of New Brunswick, for money required on the 1st January next.

It was resolved that the appointment of the Rev. J. Dinzey as Missionary to Richmond be approved.

Read a letter from the Society for the Propagation of the Gospel to the Lord Bishop, with reference to the grant made in aid of missions in this Diocese; which was ordered to be entered upon the Minutes, and is as follows:—

*Society for the Propagation of the Gospel in Foreign Parts, }
5 Park Lane, St. James Street, London, S. W., 26th Nov., 1868. }*

MY DEAR LORD—

1. The grant which was recently made for the Diocese of Fredericton, will expire on the 31st December, 1869; and I beg leave to remind your Lordship that any application for its renewal is required by the Society to be sent in so as to reach us before the 15th March, 1869.

2. I am sorry that it is my duty to state that the Society, in its desire to give the utmost support to the Church in Foreign parts, and relying more confidently than the event has justified, on the sympathy of the Church at home, has made its recent grants on so liberal a scale, that we are now endeavoring to collect a deficiency fund, in order to fulfil these obligations. The working fund, which now constitutes the whole capital of the Society, and is essential to the regular payments of bills from abroad, has been absorbed to such a degree that our Treasurer calculates on being compelled to borrow a sum of at least £12,000 this year. Unless, therefore, any unforeseen circumstances should

occur to increase largely the Society's income, it will be obviously necessary to reduce the expenditure; and the amount of such probable reduction was declared by a recent resolution of the Society, to be at least 10 per cent.

I remain your Lordship's faithful servant,
(Signed) W. T. BULLOCK.

The Lord Bishop of Fredericton.

It was resolved, that the Lord Bishop be respectfully requested to make application to the Society for the Propagation of the Gospel at an early day, for the renewal of its grant in aid of missions in this Diocese; and that his Lordship be requested to state the serious difficulty that would arise from any considerable diminution of this grant, and that its continuance, if possible, for another period of years, is earnestly solicited.

The following accounts were ordered to be paid:—

Mr. G. Sidney Smith, for charges in the investigation of the late Treasurer's Accounts and Report,		\$20 00
The Secretary for postage, and other expenses, from July to this date,	20	73

The Committee met on the 3d March at Fredericton, when a statement of the Treasurer's accounts, made up to the 1st March, 1869, was received.

It was, on motion, resolved, that the Treasurer be authorized to pay to the representatives of the late Rev. Samuel Bacon, on the 1st April next, one half his quarter's salary, for the quarter commencing 1st January, 1869.

The following accounts were ordered to be paid:

G. Sidney Smith, for his services and expenses on trial before Sheriff's Jury, in securing the property of the Society from among the effects of the late Treasurer,		\$10 33
Mr. Fenety, for notices,		6 61
J. & A. McMillan, binding reports,		7 20
Treasurer, for sundries,		3 89

Resolved, That four of the volumes of the bound reports be deposited with the Treasurer, in St. John, and four at the Cathedral Library, all for the use of the Society at the meetings of the Executive and General Committee at St. John and Fredericton.

At the meeting of this Committee at St. John, on the 2d of June, 1869, the Secretary presented a report of its proceedings for the past year, which was received; and the Secretary was requested to add thereto an abstract of the minutes of the present meeting, and to lay the report before the General Committee.

A letter was read from the Rev. J. Neales, with reference to an assignment to this Society of a life insurance policy, which was referred to the Loan Committee.

Rev. W. Scovil, on the part of the Loan Committee, presented the following report, which he read, and which it was resolved should be received and entered upon the Minutes

REPORT OF THE LOAN COMMITTEE.

The Loan Committee of the Diocesan Church Society beg to present the following report :

Since the last meeting of the Executive Committee they have effected an arrangement, under which, they have no doubt, the mortgage due from E. W. Miller, Esq., will be paid in full, before the annual meeting of the Society in July.

They also expect to receive the amount of the McLauchlan mortgage before that date.

The Executor of the late Miss Simonds has undertaken to pay the amount of her legacy (\$2,000), with interest, on the 6th inst., and the Committee believe they will be able to secure an immediate investment for this money in a Provincial Debenture for that amount, dated in 1865, and to be purchased at par.

The Committee have been in communication with the Rev. W. E. Scovil, respecting the liability of the late Treasurer to the Society, for which the Rev. W. E. Scovil is one of the bondsmen, and hope, from the tenor of that gentleman's letters, to be able to report that the matter has been satisfactorily arranged, at the annual meeting.

All of which is respectfully submitted,

W. SCOVIL,
B. LESTER PETERS, } Committee.
W. M. JARVIS,

Dated this Second day of June, A. D., 1869.

The Treasurer presented a statement of his Account at the close of the fiscal year.

It was, on motion, resolved, that the Loan Committee have power to enforce payment of the Society's claims against the late Treasurer and his securities, and to take any proceedings in connection therewith that they may deem advisable.

The Rev. C. Lee, Rev. J. Pearson, and Mr. W. Carman, were requested to act as a Committee to make the necessary arrangements for the next annual meeting of the Society in Fredericton.

An account of the Secretary for postage, stationery, and other incidental expenses, amounting to \$16.18, was ordered to be paid.

This Committee met at Fredericton on the 2d July 1869, the day after the Anniversary Meeting.

It was resolved that the thanks of this meeting be tendered to the Special Committee for providing for the late meetings of the Society free of charge.

The Secretary's account for incidental expenses and postage, amounting to \$5.15, was ordered to be paid.

On motion of the Hon. Judge Fisher, it was resolved, that 3,000 copies of the annual report be printed by the Queen's Printer, and that Mr. Fenety and the Secretary be a Committee for the performance of this duty.

It was resolved that the Rev. W. Scovil, Mr. W. M. Jarvis, Mr. B. L. Peters, Mr. G. Sidney Smith, and Mr. W. Carman, do form the Loan Committee for the ensuing year.

It was also resolved that the question regarding the interest due on Mr. Lawrence's mortgage be referred to the Loan Committee, to deal with as they may deem equitable.

Rev. W. Scovil, from the Loan Committee, presented a report, which he read; and on motion it was received and ordered to be entered upon the Minutes, and is as follows.

The Loan Committee of the Diocesan Church Society of New Brunswick, beg to present the following report:

Since the accounts of last year were made up, the Committee have invested the sum of \$1,800 in St. John Water Debentures, on behalf of the Society; and they have collected the following mortgages:—

Archibald McLean,		\$836 00
W. McKeen,		400 00
C. P. Wetmore,		400 00

The mortgages of E. W. Miller and W. Lawrence are in the course of collection, and they have every reason to believe will be paid in full within a short time. The Executors of the late Miss Simonds have also paid the amount of her legacy (\$1,600), with interest from the time of her death.

A part of these amounts were unfortunately paid in a short time before the late Treasurer suspended payment, and consequently the sum of \$429.10, held for investment on the part of the Society, was then in his hands, together with \$1,281.67 remaining on income account, which they have reason to hope will be paid by his securities. In the mean time they have deposited the money in the Bank of New Brunswick.

Respectfully submitted,

W. SCOVIL	} Loan Committee.
W. M. JARVIS,	
B. LESTER PETERS,

APPENDIX B.

The Committee appointed at the last General Meeting to revise the Missionary Schedule, would beg to report, that in conformity with the Resolution, they issued a Circular to all the Clergy in the Diocese, embracing the subjects proposed, and others, of minor importance, hoping that the answers received would be a basis for their guidance on a matter so responsible as dealing with the future welfare of the Church of this Diocese. From some important Parishes they received no reply, and from those who were kind enough to answer the Circular, they were sorry to learn that the support given to the Clergy was, in a large majority of cases, in an inverse proportion to the labour bestowed; and in no instance did it reach any thing like a competency. Looking, however, at the growth of the Church in the United States, and in many parts of the Upper Provinces in the Dominion and Nova Scotia, your Committee are led to the conclusion that the more the Church is thrown on the individual congregation for its support, the more vigorous and stable is its growth. In this Diocese, where the fostering hand of the Society for the Propagation of the Gospel has been extended for eighty-six years, and where, for many years, the Diocesan Church Society has supplemented the grants as they have been withdrawn by that venerable Society, it would be impossible to come at once to a self-supporting Church. This will have to be the work of time. A beginning, however, has to be made; and that any reduction shall not embarrass the present incumbents, the alterations proposed are not to affect them. Following the example of the Society for the Propagation of the Gospel in the gradual withdrawal of the Annual Stipend, the Committee have divided the Diocese into classes, to be known as A, B, C, D, E, and F, and in arranging the proposed Schedule under these various heads, they would take this opportunity of thanking His Lordship the Bishop for his invaluable assistance in this difficult undertaking.

Under the letter A, which contains those Parishes which either are now, or on the demise of the present incumbent, should become entirely self-supporting, and to which, therefore, no grant is recommended beyond those already on the Society's list, the Committee place all the Parishes within the City of St. John, including, as it does, the Parishes of St. Jude and St. George in Carleton, the two Parishes of St. Luke and St. Paul in Portland, together with Fredericton, St. Andrews and St. Stephen.

Under the letter B, which will comprise Parishes that, on a vacancy or death of the present incumbent, will receive assistance for a period of ten years, in the following ratio: \$400 for the first five years, on the Parish paying \$400; and for the second five years, \$200, on the Parish paying \$600, and then to cease, may be classed—Woodstock, Manguerville and Burton, Gagetown, Kingston, Hampton, Sussex, Chatham, Sackville and Dorchester.

Under the letter C, which will embrace Parishes which will receive \$480 on paying \$240 a year for the first five years, and then to be placed in class B, are comprised—Andover, Bathurst, Douglas, Prince William and Dumfries, St. George and Pennfield, Greenwich, Norton, Richibucto, Simonds, Shediac, Springfield, Upham, Cambridge, Westmorland, and Westfield.

Under class D, which will include Parishes which will receive \$480 on raising \$120 for the first five years, and then \$400 on raising \$200, are comprised—Campobello, Grand Manan, Kingsclear, St. David and St. Patrick, St. Mary's, Canterbury, Blackville and Nelson, and Queensbury.

Under the letter E, whilst the missions remain in their present position, they would recommend, to Richmond, \$240 a year; Chamcook, \$120; New Maryland, \$160, per annum.

Under the letter F, with the same provision, they would recommend—\$200 to Petersville; Moncton, \$120; Buctouche, \$320; Clifton, \$69, per annum. The aggregate of this Schedule amounts to \$15,940, to which the Society cannot, of course, pledge itself, unless the funds are placed at its disposal. This, the Committee trust, will be the case, from the increased contributions to the Society.

WIDOWS' AND ORPHANS' FUND.

A numerously attended meeting of the Clergy was held in the Cathedral Library, on June 30, 1869, the Rev. J. Neales in the Chair, when a series of proposed Bye-Laws, for the management of the Clergy Widows' and Orphans' Fund, was duly considered, and unanimously agreed upon. The Rev. John Pearson was appointed to bring the same before the notice of the General Committee; and to respectfully request, on behalf of the Clergy assembled at that meeting, that the proposed Bye-Laws may be received and entered on the Minutes of the General Committee, and, if approved, that the same may be adopted, for the future management of the Widows' and Orphans' Fund, so far as that Fund concerns the Clergy of this Diocese, and their families.

JAMES NEALES, Chairman.

In accordance with the above, Mr. Pearson submitted the following proposed Bye-Laws to the General Committee, on June 30th, 1869, and respectfully requested that the same might be taken into consideration.

1. The Church Society of the Diocese of Fredericton, in the Province of New Brunswick, shall have a special Fund, to be called, "The Clergy Widows' and Orphans' Fund," which shall consist of the present capital held by the Society for this object (subject to its present liabilities), of all subscriptions, donations, legacies, and other contributions given and paid to the Society for this special purpose, and of all premiums received under these Rules; and this Fund shall be applied to the assistance of the families of deceased Clergymen, and to no other object.

2. Every Clergyman in this Diocese duly licensed, whose widow is not already entitled to a pension from the Society for the Propagation of the Gospel, wishing to share in the benefits of this Fund, shall, within six months from (the date of the adoption of these Rules), or within one year from receiving Holy Orders, or from his admission into the Diocese, apply to the Secretary of the Fund for a policy, and shall thenceforth pay the sum of Eight Dollars, annually. Any applicant, after such period of time, shall only be permitted to receive a policy at the option of the Executive Committee of the Church Society, and upon such terms as they shall direct.

3. Every Clergyman, being a member of this Fund, shall make and forward to the Secretary, a yearly collection from every congregation in his Parish or Mission. Assistant Curates, serving under a Rector, or other assistant Clergymen, shall not, however, be required to make a collection, but shall pay only their own annual premium.

4. All premiums shall become due on the first day of January, in each year, and must be paid within thirty days; and all congregational collections must be sent in before the first day of May. If this Rule is not complied with, the policy shall be considered as forfeited, but may be regained at the option of the Committee, and upon such terms as they may prescribe.

5. Upon compliance with the above Rules, the Diocesan Church Society un-

undertakes to pay out of this Fund a yearly pension of \$140 to the widow of each Clergyman holding a policy, during her widowhood.

6. If the widow die, or marry again, the pension shall be paid towards the support of such children of the deceased Clergyman as may be under the age of eighteen years. In this case, when the children have attained this age, the pension shall cease.

7. The Trustees named in the Will of a Clergyman shall be recognized by the Committee, in the event of the death or marriage of his widow, and shall receive the pension, to be applied by them for the support of the child or children; but if the Trustees so named are unwilling or unable to act, or if Trustees should not have been named, then the Bishop of the Diocese shall act as Trustee, in the application of the pension.

8. If the wife die before the husband, his child or children shall, at his death, receive the pension, under the limitation as to age expressed in Rule 6.

9. If, at any time, the state of the Fund will permit, the Committee may increase the amount of pension to any sum not exceeding \$200; but such increase may be withdrawn, if it cannot with safety be continued, and in any case the pension shall be of the same amount to all existing recipients.

10. If a Clergyman removes, with the Bishop's consent, from the Diocese, after officiating in it not less than ten years, he shall be allowed his claim upon the Fund, on continuing the payment of his yearly premium, and the amount of the average annual collection from his Parish or Mission, being a sum not exceeding Forty Dollars.

11. If a clergyman is unable to continue his public ministrations through sickness or accident, upon the production of a medical certificate testifying the same, he may continue his connexion with the Fund, upon payment of his yearly premium.

12. Any clergymen degraded or suspended from the ministry, or any widow or orphan who shall not be in communion with the Church of England, shall forfeit all claim upon this Fund.

13. The pensions shall be payable half-yearly, on January 1st and July 1st, in each year, and shall commence on the first of these days which shall happen after the decease of each person holding a policy.

14. The Treasurer of the Diocesan Church Society shall be Treasurer of this Fund, and shall, from time to time, under the direction of the Committee, invest every hundred pounds of surplus money, and add the same to the capital of the Fund. A yearly detailed statement of the income, payments and invested money shall be published in the Annual Report of the Diocesan Church Society.

15. The Secretary of the Diocesan Church Society shall act as Secretary of this Fund, and it shall be his duty to issue policies, receive premiums, donations, and collections, which he shall hand to the Treasurer every quarter, or oftener, if required by him.

16. None of the above Rules shall be altered, except at the Annual Meeting of the General Committee of the Diocesan Church Society, after a full year's notice of the proposed change.

APPENDIX D.

TO THE CLERGY AND LAITY OF THE CHURCH OF ENGLAND IN
NEW BRUNSWICK.

DEAR BRETHREN—At the late meeting of the General Committee of the Diocesan Church Society, a Resolution was passed unanimously, requesting me to issue a Pastoral Letter to the Clergy and Lay-members of our Church, calling their attention to the very serious diminution of our resources, and urging upon them the necessity of increased subscriptions and donations to meet the difficulty. It is with some reluctance that I undertake this duty, because on more than one occasion I have addressed such a letter to the Diocese, and no result has followed.

Had my advice been attended to, of raising an Endowment Fund, we should now be in a position to meet all those difficulties which now threaten to overwhelm us. This advice was declined by many on the excuse that the Presentation to Parishes was not in the hands of the Parishioners. This excuse is, however, entirely removed by the Bill drawn up by the Synod of this Diocese, and passed by the Legislature of this Province at their late sitting. As this Bill enables each Parish to choose its own Rector, there can be no objection to an Endowment Fund on this score, nor can the objection any longer hold good that the Church Society is a sufficient endowment, as its funds are inadequate to meet the emergency.

Whilst, however, we have failed to make provision for the future, the difficulties I then pointed out have come upon us. The Society for the Propagation of the Gospel withdrew £160 sterling, or \$778, this year; will withdraw £270 sterling, or \$1,314, next year; and will, beyond a doubt, continue to withdraw every year a tenth, or it may be more, of the block sum granted to us. We must therefore face the difficulty, and determine what we mean to do.

At the late meeting of the General Committee in Fredericton, three plans were proposed. First, to meet the deficiency in our funds by taking the sum of \$3,000 out of our invested capital, hoping to replace it by additional subscriptions; second, to reduce at once the salaries of existing Missionaries; third, to reduce the number of existing Missions. To all these plans many objections were made. In regard to the first, it was argued, with great justice, that to take the capital of the Society and apply it to supply an existing deficiency was only adding to the difficulty next year, as there would be then a smaller income to meet a larger debt; and the very fact of so large a sum being at once spent might lead some to suppose that there existed an unknown reserve fund to an immense amount, on which we might go on drawing, and in a short space of time we should absorb all the invested money of the Society. And further, it was observed that it was unjust to those who had bequeathed their money to us in trust for the use of poor Missions, and in the full expectation that we would only use the interest of their bequest for this purpose. These reasons made a great impression on the minds of all present, but when the other alternatives were considered, the majority were unwilling to adopt them. Several of the Clergy were desirous that a diminution of their salaries should take place at once; but the meeting eventually decided, that it would not be fair that this should be done without due notice, and on the same principle that, without notice, it would be unfair suddenly to abandon any existing Mission.

Great, therefore, as was the evil of taking the principal of the Society, a large majority determined that this was a lesser evil, and must be resorted to on the present occasion; and I understood the officers of the Society to say that the evil would be mitigated by the money being chiefly taken from old mortgages likely to be paid in, and not from the bequests made to the Society.

Whatever view be taken, the evil is serious enough to demand your earnest and immediate consideration. Where so large a sum as \$20,000, or more, is required for every year's allowances; when both the Society at home and our own Institution are voluntary associations, to which no one can be compelled to contribute, and from either of which any number of persons may withdraw at any time if they see fit to do so—it must be obvious to every one not only that it is very desirable to have a Reserve Fund to meet the possible fluctuations of annual income, but that when such a Reserved Fund has been raised, and every farthing of interest arising out of it has been spent, then to spend the principal besides, is reckless and ruinous, and must lead to many injurious consequences.

We may be told to spend our money, and wait upon Providence. But besides the irreverence of neglecting our duty, and calling on the Almighty to sanction and bless our negligence, we have no moral right to take the money of testators and apply it to other purposes than they intended.

It is, therefore, clearly the duty of every churchman to put to himself these plain questions: Do you mean the Missions of the Church of England to become extinct, or no? Can you provide a better and cheaper method of serving the Church, or would any body of men undertake to do the duty at less cost than it is now done by your own Clergy? Can you suggest any other institution more likely to answer the purpose, to combine all parties, to work more harmoniously than the Church Society? Can you expect the Clergy to live on less than the scanty stipends you allow them already? Can you expect the Clergy and the labourers and mechanics of England to go on forever contributing to your support? In the mind of every manly, honest Christian there is but one answer to such questions.

It may be said, however, that the affairs of the Society may be managed more economically. To this question I would now address myself. First, there is no doubt that all the towns should, within a limited time, be self-supporting. Much has been done in this way already. There is not a Parish in Saint John which has not, till the last few years, received aid from England. This should all be withdrawn, as most of it has been already. Fredericton, Saint Andrews, Saint Stephen are now self supporting: Chatham and Woodstock ought to follow their example as soon as possible. But there are several country Missions which do not contribute in proportion to their ability. These should not wait till we compel them to retire, but ought to come forward in this time of extremity and offer to relieve us. The inhabitants of the towns must support their own Clergy, and they have, in some instances, many more claims on them than those who live in the country, and they naturally are annoyed if they find applications made to them on every occasion for support, when the Parishioners themselves do very little. It will never do for us to lean on the towns alone, in place of leaning on the Home Society. Every country Mission must do its part; and when this is done, I hope the towns will be prepared to help them, as in some cases they do most liberally at present.

I therefore enjoin upon all the Clergy in this Diocese to bring this matter fully before their Parishioners at an early period, and to hold a public meeting, if deemed advisable, and to take such steps as may bring the subject under the notice of every member of the Church within their Parish or Mission, and to urge upon them to endeavour to meet the difficulty by additional contributions. We are now, under God, upon our trial: and our conduct in this emergency will determine, in the opinion of other bodies of Christians, whether we are in earnest to maintain our Church, or whether we are indifferent to it; and I need say no more on this point. I have only to add that the subject was fully brought before the public meeting held in Fredericton, and the liberal sum of \$1,113 was subscribed, of which \$617 were given by residents in Fredericton, in addition to the annual subscription of \$760, and the remainder chiefly by the Clergy present. It remains for others to follow this example.

I remain, Dear Brethren, your faithful friend and Bishop,

JOHN FREDERICTON.

FREDERICTON, July 18th, 1869.

APPENDIX E.

The sum total of contributions, as reported for the current year, is: General purposes, \$5,645.91; Widows' and Orphans' Fund, \$40; 9th Object, \$2.00. Total, \$5,687.91. NOTICE.

Under the direction of the General Committee, I beg most respectfully to call the attention of the Clergy to the Resolutions passed by this Committee on the 30th June last. See present Report, page 37.

W. Q. KETCHUM, *Secretary.*

July 1869.

At the meeting of the General Committee, on the 30th June, the Rev. Canon Harrison, Rector of Portland, relinquished all claim to the Grant of £50, made by the Society for the Propagation of the Gospel, after the 1st of January next.

NOTE.—The following statement is appended to shew the amount of the Estimated Deficiency for the current year, and how it arises:

ESTIMATED EXPENDITURE.

Balance of last year's account against the Society, over and above the amount in the hands of the ex-Treasurer,	a \$568 86
Grants for Missionary purposes, for 1869-70,	29208 55
Grants for Salaries and Contingencies, for 1869-70,	400 00
Grants for Widows and Orphans,	544 44
	<u>\$32021 85</u>

ESTIMATED INCOME.

Subscriptions and Collections,	b \$5600 00
S. P. G. grant, three quarters, at £675 stig., \$9500 00; one quarter, at £207 10s., \$2950 00,	c 12900 00
Interest on Investments for General purposes and W. and O. (say), ..	550 00
	<u>19250 00</u>

Estimated deficiency in 1869-70,

\$2771 85

a This deficiency arose partly from a decrease in the grant of S. P. G. and partly from carrying interest forward to the credit of the account to which it belonged, which had not been done before.

b When the probable deficiency was made up by the Committee at Fredericton, this was estimated by the Secretary at \$5,000.

c The S. P. G. grant, for 1868-9, yielded \$12,976 78.

ERRATA.

In the List of the Clergy, page 12, fourth line from the bottom, read—Shaw, Rev. B., Rector, Grand Lake.

GAGERTOWN.—Add to the List of Subscribers, Wetmore, Mrs. C. P. \$4 00—making the total \$86 95.
